

CASTAGNO

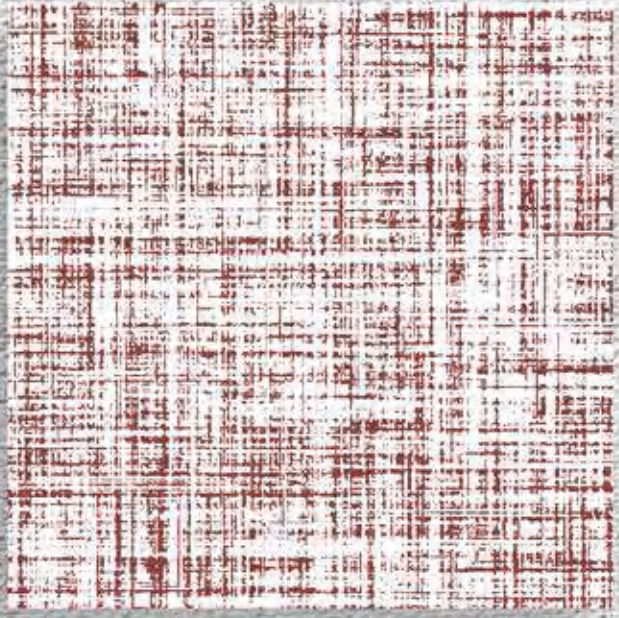

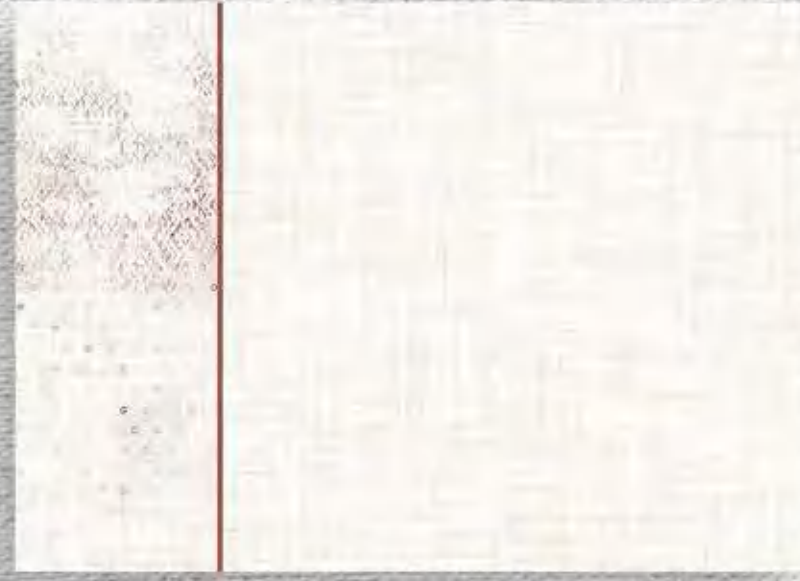

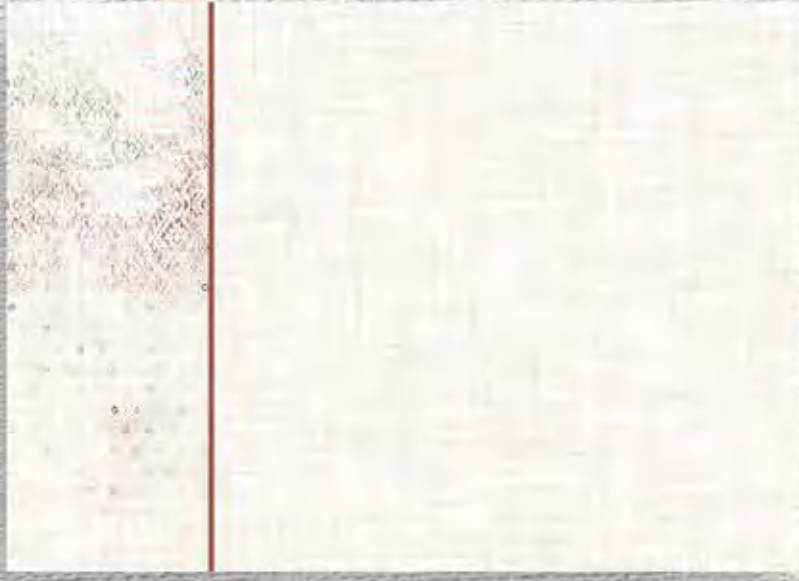

We have been in our house very long time. We have understood the importance of nature more and now we want to feel naturalness in our home. We care about nature we draw strength from nature in our design. Now we are returning to nature and we act with the awareness of recycling while returning.

Ethnic textures and natural effects are revived in our design and in our lives.

Evlerimizdeyiz ve genellikle TV karşısında vakit geçiriyoruz. Telefonunu elinden düşürmeyenler ve kumandasını etrafta bırakıp arayanlar için bu inovatif fikri geliştirdim. Kirlentimizin üst kenarına gizli cep yaparak her an ihtiyacımız olan kumanda ve telefonumuzu aramıyoruz.

100% pes süet dokulu yumuşak kumaştan üretilecek.
Çift tarafı dijital baskılı olacak. Gizli cep detayı olacak.
